ZIMBABWE ORPHAN PROGRAM

WILL YOU GIVE \$1 A DAY TO HELP A CHILD?

"We were promised Canaan," a resident of the Zimbabwean capital of Harare told a news reporter.

"But this is hell."

He was talking about life today in the country that was once the breadbasket of Africa. But now it can't even feed itself. Bad weather- a drought and a cyclone- have pushed the nation to near starvation. The government has been repressive. Its rate of inflation leads the globe. Most cannot find work. And suffering most of all are the children, particularly the orphans.

The Zimbabwe Orphan Program exists to help them.

ZOP supports some 650 orphaned children now. And it wants to feed, clothe, educate, and provide the word of God to 250 more in the province of Manicaland.

There are plenty of people living locally in Zimbabwe who want to help, many members of the small and scattered Churches of Christ. They are willing to serve as foster parents. But most have precious little to share. And ZOP has employed a young man as an orphan minister to help provide spiritual guidance to the children and the churches to coordinate relief work.

Will you be part of this life-saving, soul-saving work and bless needy children with your support?

"WHATEVER YOU DID FOR ONE OF THE LEAST OF THESE BROTHERS AND SISTERS OF MINE, YOU DID FOR ME." -MATTHEW 25:40

OUR OBJECTIVE:

■ Provide food, clothing, schooling fees, spiritual mentoring, and medical care for an additional 250 orphans, on top of the 600+ we are currently supporting. This will require an additional \$100,000 yearly investment.

"DEFEND THE WEAK AND THE FATHERLESS; UPHOLD THE CAUSE OF THE POOR AND THE OPPRESSED. —PSALM 82:3
