Announcements & Upcoming Events

Message from the Elders

As reported last week, a member who was in attendance at class and worship on August 22, tested positive for Covid-19 the next day. Later in the week, their spouse also tested positive. Thus far, no one else has reported any symptoms or tested positive for Covid-19 who had contact with them. However, out of an abundance of caution and with our desire to not cancel our in-person classes and worship service, we are asking everyone who attends classes and worship to wear a mask TODAY.

We will continue to monitor the ever-changing conditions caused by the virus and make adjustments as needed. Please continue to pray for all our members who are sick and pray for us as we seek God's will and direction for our congregation. And please, if you or any member of your family does not feel well, no matter how mild the symptoms, do not attend any gathering of the East Point family until the appropriate period of time has passed. Thank you for your cooperation. The Elders
