Prayer Requests & Praises

- Dave and Karen Wasserstrom have both come down with Covid-19. Please keep them in your prayers during this time.
- Rip VanWinkle had a stroke while in Arizona. We have received word that he is showing some improvements. Please continue to pray for **Rip** and **Marty** during this difficult time.
- Please be praying for Luke Henwood's aunt, Judy Sauer, as she lost her husband, Jim, to cancer last week and is still somewhat traumatized as he passed in her presence.
- **Sheryl Newberry's** friend, **Kristi**, had a bone marrow test done with the hopes it will aid in diagnosing a health condition she is struggling with. She is awaiting test results by the end of the month. Please keep her in your prayers.
- Jessica Hoggatt's lung surgery went well. They removed some damaged tissue and it allows the lung to expand easier. Now we continue to wait for the hole in her lung to close up so the chest tube can be removed. She is working with physical therapy every day and continues to get stronger. Please keep praying for Jessica, Cory, and all the family as she continues to get stronger.
