The Prodigal God

Young Adults

(Whatever "young" means to you)

Location: Classroom 8

Led by: Travis & Kari Sears
and Todd & Kristi Truitt

The Prodigal God (2008) is a new interpretation of the classic parable of the prodigal son. Rather than focusing on the reckless rebellion of the younger son in the story, it focuses on the dutiful older brother who sins through obeying the rules for the wrong reasons. It shows us that we all have these problematic tendencies to be righteous and superior, but that's not what the Christian faith is really about.

James: Faith That Works

Location: Classroom 9

Led by: Dave Wasserstrom

Each one of us wants to have a faith that sustains us when we have fear and uncertainty or during times of trouble or loss. We want a faith that can pull us through our worst times and propel us forward in our best times. James writes about this faith; it is the faith that we can and should practice day after day. It is my hope that our study of James will help us grow a reliable faith that can carry us through life.
