The Smith family have been accepted to receive housing through Habitat for Humanity. They are so excited for this journey! The family is reaching out to friends and family for help with **Sweat Equity** volunteer hours. The first stage of the process requires pre-build volunteer hours at the ReStore store or at someone else's build. Scan QR code to sign up for volunteer work. The only request is that you call, text, or email a message to Lovetta Smith that you have completed hours under her cause to be able to submit them to the agency. Thank you all for your generosity toward the Smith family!
